

The original POGO's Kitchen was located in the Okefenokee Swamp in North Florida. Walt Kelly, a syndicated cartoonist, created POGO, the Possum, in 1948 and the rest of the more than one hundred swamp characters within. They'd stop by Pogo's kitchen daily to get a 'speshul 'meal and discuss life and the wide world beyond.

We created this POGO's Kitchen so our guests could stop by and have a 'speshul' meal and talk, laugh and eat with their friends. Unlike the swamp, our POGO's is a cozy casual restaurant with banquet seating, full bar, private dining room, lush garden, covered patio and outdoor seating.

POGO's Kitchen won't be serving alligator tail (just yet...) or swamp food, but Executive Chef Alan Heckman has crafted a menu that celebrates a medley of modern flavors. Alan's storied culinary career includes being featured at the James Beard House and receiving a 4-star review from the New York Times before moving to Amelia Island.
